NUA as an inclusive “multi-stakeholders business”

WUF9 KUALA LUMPUR DECLARATION

1. “Support the creation and consolidation of inclusive platforms and agendas for dialogue among all levels of government, decision makers and stakeholders such as regional, national and local Urban Forums and committees that can strengthen policy review and assessment of impacts. These can also foster exchange of experiences and cooperation, as well as scaling up voluntary commitments and actions from all partners”.

NATIONAL URBAN FORUMS: Towards an International Network

More than 40 countries !
