

NGOMA ECONOMIC PROJECT STUTUS COMPARING TO THE NATIONAL TARGET

No	PROJECT	ACTUAL STUTUS 2017	NATIONAL TARGET 2018	OBSERVATION
01	Safe drinking water accessibility	87.3%	100%	The target will be achieved at the end of 2018
02	Electricity connection	32.7%	70%	It still a big challenge to achieve the national target
03	Tarmac roads	33km	70km	By end of 2018 the target will be achieved after construction of Ngoma-Nyaza National road
04	Feeder roads	119.68km	150km	The target may be achieved but due to lack of budget of this sector it may notbe achieved
05	Stone paved road	1.8km	4.1km	The target will not be achieved due to lack of budget allocated to this project
